

## Critical Information Summary : QBR ONdesk Collaborate \$60

### Description about the service

This is an IP based voice telephony service that is supplied over a fixed broadband internet service and a wired ethernet port that can be used to make national and international calls.

Minimum monthly charge payable: \$60 per extension/handset per month

Maximum charge for early termination: \$2160 (see below for details)

Minimum term applicable: 36 months

The internet service may be supplied by any service provider. Each handset extension requires a minimum bandwidth of 100kbps of uncongested upstream and downstream for optimal quality. Call quality may be affected by the internet connection, firewall, hardware or other matters outside the control of Vonex. Whilst 000 calls can be made most services connected to the NBN network won't work during a power outage. This means you won't be able to call 000 in a power outage. It's a good idea to have another way of contacting 000 in a power outage, such as a charged mobile phone. Calls to 1900, back to base alarms, fax services and EFTPOS systems cannot be used with the voice IP Voice service.

### Bundling

This service is not conditional on any bundling arrangements, but we do provide other telco services that can be included on one bill. Please contact us for further information.

### Mandatory components:

It is required that handsets are supplied by Vonex via an Equipment Lease Agreement through Grenke (GC Leasing Sydney Pty Ltd ABN 27 615 226 045). The lease repayments are collected on behalf of the customer, included in the monthly plan from Vonex Telecom and paid to Grenke over the 36 month term. If the customer ceases to retain services with Vonex Telecom, the underwriter Grenke will commence a direct relationship with the customer for the Lease Agreement. See the Grenke Terms and Conditions for full details. The Equipment Lease Agreement forms part of the application process for the QBR promotional plans.

Direct Debit is required before shipment of phones. Vonex reserves the right to credit check customers before approval and acceptance of an application for new services. The customer Direct debit payments of bills are deducted 4 days after your email bill is issued. The handsets remain the property of Grenke until the end of the lease term at which time ownership transfers to Vonex. Vonex will in turn assign ownership to active customers.

### Important Conditions:
