Critical Information Summary : ONdesk Traveller \$20

Description about this service.

This is an IP based voice telephony service that is supplied over a fixed broadband internet service and a wired ethernet port that can be used to make national and international calls. Software is required to be downloaded onto your mobile device or computer to access this service. No handset is supplied with this plan.

Minimum monthly charge payable: \$20 per extension per month

Maximum charge for early termination: \$900

Minimum term applicable: 36 months

The internet service may be supplied by any service provider. Each extension requires a minimum bandwidth of 100kbps of uncongested upstream and downstream for optimal quality. Call quality may be affected by the internet connection, firewall, hardware or other matters outside the control of Vonex. Whilst 000 calls can be made most services connected to the NBN network won't work during a power outage. This means you won't be able to call 000 in a power outage. It's a good idea to have another way of contacting 000 in a power outage, such as a charged mobile phone. Calls to 1900, back to base alarms, fax services and EFTPOS systems cannot be used with the voice IP Voice service.

Bundling

This service is not conditional on any bundling arrangements, but we do provide other telco services that can be included on one bill. Please contact us for further information.

Mandatory components:

It is required that software is downloaded as provided by Vonex for the ONdesk Traveller \$20 plan.

Direct Debit is required before provisioning of the service. Vonex reserves the right to credit check customers before approval and acceptance of an application for new services. The customer Direct debit payments of bills are deducted 4 days after your email bill is issued.

Important Conditions:

The monthly plan fees include: a phone number, all local/national/calls to Australian mobile calls, voice mail to email, programming of all standard features of our hosted PBX and one hunt group.

If a further instance of the Vonex Phone mobile app is selected to couple with a desktop version, an additional \$5 per month is charged commencing after 12 months of activation.

This plan is not available for telemarketing, call centre function or other similar uses.

Additional charges; each additional hunt group/IVR \$5 per month, complex programming (more than one IVR or Huntgroup) \$10 per handset, Porting in \$30 per number or \$130 per 100 indial range plus \$55 per month hosting of a ported indial range. International calls are charged in 1 minute blocks. Calls to 13/1300 25c per call. International calls (top 25 destinations) 20c for 15 mins

Early termination charges:

If you cancel the service before the end of the contract term of 36 months, a fee of 50% of the monthly rental, times the remaining months of the contract will be payable to Vonex. At the end of 12 months, the Vonex monthly charges will continue at the same rate.
