If the customer ceases to retain services with Vonex Telecom, the underwriter Grenke will commence a direct relationship with the customer for the Lease Agreement. See the Grenke Terms and Conditions for full details. The Equipment Lease Agreement forms part of the application process for the QBR promotional plans. For the \$10 and \$25 plans it is required that handsets are purchased and supplied by Vonex. Vonex retail hardware prices include the programming of the hardware to the Vonex ONdesk service. For the \$20 Traveller plan Software is required to be downloaded onto your mobile device or computer to access this service. No handset is supplied with this plan.
